

# SASKATCHEWAN SPORTS HALL OF FAME

## FOR THE RECORD

### MESSAGE FROM PRESIDENT LINDA BURNHAM

With the close of 2016, and our 50<sup>th</sup> anniversary celebrations behind us, the Saskatchewan Sports Hall of Fame (SSHF) is embarking on another exciting year.

We were delighted to learn that the SSHF has been named a finalist for a Saskatchewan Tourism of Excellence Award in the category of “Business of the Year” (under 20 full-time employees). We are thrilled to receive that nomination and look forward to attending the Gala awards in April.

In 2016 we did not have an induction as the anniversary kept us very busy. However, in 2017 we will once again have an induction ceremony to welcome new inductees into the Hall. The media announcement to introduce this year’s class will be held at the SSHF on Thursday, April 27<sup>th</sup>.

Throughout the summer, our traveling exhibit will again be visiting a number of locations throughout the province. The exhibit was so well received last summer and it truly gives rural Saskatchewan a taste of what the SSHF has to offer.

We are also excited about some sporting events that Saskatchewan will be hosting in 2017 and 2018. The 2017 Skate Canada International, 2018 Memorial Cup and the Brier will each be located in Regina. These events bring awareness as well as drives sports fans to the city. We will certainly be showcasing these sports during those events and will be looking to draw fans to the Hall where we can promote the history and success of Saskatchewan athletes.

The SSHF staff continues to run education programs and the displays are changed frequently so each time a person visits, they see something new. We have been adding technology to our repertoire and our social media channels keep expanding with more followers. Thanks to all the staff, we appreciate that they are continually thinking of new ways to show us off!

Our Board still dreams of a new location where we can find space to break many items out of storage, and no doubt, one day we will find it. On behalf of the Board of Directors, I want to thank you for your support. We strive to have our inductees remain connected to the SSHF, and to have the general public share in the history and sporting successes of this great province.

## February/March 2017

## SSHF NAMED SASKATCHEWAN TOURISM AWARD FINALIST

The SSHF has been named among the finalists for the *Saskatchewan Tourism Awards of Excellence* for 2016, in the category of Business of the Year Award (Under 20 Full-time Employees). Other finalists in our category include Harvest Eatery and Fresh Market, Shaunavon, and Last Mountain Distillery, Lumsden.

The SSHF nomination was derived on the basis of our 50<sup>th</sup> Anniversary year and the “big three” activities including *Diamond Girls*, 50<sup>th</sup> Anniversary Traveling Exhibit and 50<sup>th</sup> Anniversary Gala. We would like to recognize and thank a number of key people and organizations who were instrumental in making our 50<sup>th</sup> Anniversary events, and thus this nomination, successful. Maureen Ulrich for her engaging & entertaining *Diamond Girls* script, Malia Becker for bringing history alive through her stellar performance of 21 characters!, director Kenn McLeod, technical director William Hales, and stage manager Shelby-Lyn Lowe. All of our inductees, some of whom

traveled great distances, who chose to participate in one or more of our anniversary events including our 50<sup>th</sup> Gala reunion celebrations. And last, but not least, to our key sponsors who shared the vision and passion in taking Saskatchewan’s sport history to the entire province including Saskatchewan Lotteries, Community Initiatives Fund, Saskatchewan Blue Cross, Creative Display, Sterling Truck & Trailer Sales, Horno Leasing, SaskTel, SGI and Global Regina and Saskatoon.

The SSHF is also pleased to announce that past president, Trent Fraser, will be a recipient of the Tourism Builder Award. This award recognizes individuals who have made tourism an important part of their life’s work resulting in a positive impact on the industry they serve. Trent has been instrumental in the strategic stewardship of the SSHF for the past seven years which culminated in our successful 50<sup>th</sup> celebrations. He is a most deserving recipient of this award.

## AUTUMN MCDOWELL JOINS CASH EXECUTIVE

SSHF Communications Coordinator, Autumn McDowell, has joined the Canadian Association for Sport Heritage (CASH) executive in the position of VP Communications. CASH is a national association of institutions, organizations, and individuals dedicated to the preservation of Canada’s rich sports heritage. Established in 1979, CASH encourages the recognition of our sports heroes, and the promotion of a greater awareness of the achievements of Canadian athletes and sport builders, both past and present. The association is committed to assisting members in achieving and maintaining excellence in the recognition, preservation and presentation of sports heritage. The SSHF has been a member of CASH since 1979. Alongside SSHF Executive Director, Sheila Kelly, Autumn will travel to Vancouver in April to participate in the biennial CASH conference.

## NEW EXHIBITS NOW OPEN: FROZEN FABLES AND INDIGENOUS STORIES

Please come in and enjoy our newest exhibits! In celebration of the NHL’s 100<sup>th</sup> Anniversary, the SSHF is showcasing some of our finest hockey artifacts. With everything from trophies to jerseys, photographs and more, hockey fans will love these amazing pieces of history.

We are also very proud to display, for the first time ever, the extensive goalie mask collection on loan to us from Glenn “Chico” Resch (pictured right). Since these items are not part of our permanent collection, they may never be on display at the Hall again. Don’t miss your chance to see them while you can! This exhibit will be off the ice April 22, 2017.

Our third Gallery has also been updated. On display until September 2 is a tribute to our Indigenous inductees. This exhibit was initially inspired by our recent acquisition of the Balfour Redman collection from Balfour Collegiate in Regina. While we have always included Indigenous athletes within each of our displays, this is the first time that the SSHF has featured them in a stand-alone exhibit.
