

SASKATCHEWAN — SPORTS — HALL OF FAME

FOR THE RECORD

MESSAGE FROM PRESIDENT HUGH VASSOS

It has been a busy spring and summer at the Saskatchewan Sports Hall of Fame (SSHF). I would like to begin by thanking two retiring board members, Reid Mossing & Richard Ziffle, for their contributions to the SSHF. At our Annual General Meeting in May, Reid stepped down as Treasurer following seven years of service on the Board (2005-2012), while Richard completed one three-year term (2009-2012). I wish both individuals all the best as they pursue new volunteer interests and look forward to their continued involvement in our programming and special events.

May was a month in which we also saw the retirement of Barr Godkin, who had been with the SSHF as our Administrative Assistant/Researcher, for five years. The Board and staff wish Barr well as he enjoys a life free of work-related schedules and deadlines.

Induction 2012 gave us an opportunity to showcase the new direction established within our strategic planning process and the weekend has been deemed a resounding success. It was a pleasure to have the members of the Class of 2012 on hand for all of our events, and we were thrilled with the number of past inductees who chose to get involved as well. The SSHF exists because of all of you and your accomplishments and history truly comes alive when we can welcome you back into our facility.

The Sports Investors Club Teammate program is off to a great start. Thank you to everyone who has chosen to support this new means of fundraising for the SSHF. I encourage all of you to consider making a commitment to this program so that the SSHF can continue to work towards the implementation of initiatives within our strategic plan.

The London 2012 Olympics are almost here and in celebration the SSHF has canvassed the permanent collection for all summer Olympic related artifacts in support of our current exhibit, *Our Salute to the Summer Olympics*. It is quite an amazing collection that I encourage you all to visit as part of your summer activities. Enjoy!

INDUCTEE NOMINATION DEADLINE APPROACHING

The Board of Directors would like to announce that the annual deadline for nominations into the Saskatchewan Sports Hall of Fame has been changed from September 1st to October 1st. This change allows people the opportunity to enjoy summer and still have adequate time available to prepare a nomination. The deadline for the Class of 2013 is **Monday, October 1, 2012**. Nominations will be accepted until 5:00 p.m. on that date. All nominations should be submitted in a type written format.

Nomination forms for all categories can be obtained by contacting the SSHF directly. Please refer to the back page of this newsletter for contact information. Nomination forms are also available on our website at www.sasksportshalloffame.com by choosing the "About Us" link and then selecting "Nominations".

SUMMER STUDENTS – KYLIE RAE DAHLSTROM & DANIELLE BAUCHE

The SSHFM is very pleased to have two summer students this year, Kylie Rae Dahlstrom and Danielle Bauche, who are working with Lorrie and Jenna, in collection management and education programming respectively. Both individuals are currently enrolled at the University of Regina; Kylie in Arts & Science (History & Theatre Design) and Danielle in Education (Fine Arts). Kylie is being sponsored through Young Canada Works In Heritage Institutions, while Danielle is supported through the Human Resources and Skills Development Canada Summer Jobs program.

MESSAGE FROM EXECUTIVE DIRECTOR SHEILA KELLY

The SSHF is pleased to be moving ahead sooner than anticipated on two strategic targets involving the digitization of our entire permanent collection as a result of funding received from two organizations. The 1989 Jeux Canada Games Foundation has provided funding for us to digitize those materials (artifacts and archives) associated with our inductees, while Saskatchewan Lotteries (Exceptional Needs) has provided funding to do the same for the non-inductee related components of our collection. This financial support means that both inductee and non-inductee related materials can be incorporated into the curriculum based education programs and online lesson plans, as well as additional materials can be used to support our general website content. In addition, meet our March 31, 2014, strategic target of implementing inductee related technological elements into the public galleries. It is our intention to have the inductee materials completed by the end of September, while the remainder of the collection will be completed by the end of July, 2013. Upon project completion the SSHF will have digitized approximately 12,000 artifacts and photographs, in addition to digitizing approximately 15,000 (and counting!) pages of archives.

1989 JEUX CANADA GAMES FOUNDATION INC.

the funding keeps us on track to

The Board and staff extend their sincere thanks to both of these funding agencies for the financial support that they have provided.

The current exhibit, *Our Salute to the Summer Olympics*, just got a huge boost from Diane Jones-Konihowski (SSHF 1980). Diane answered our call and has donated 39 items to the permanent collection representing the 1972 Munich and 1976 Montreal Olympic Games where she participated as an athlete, and the 2000 Sydney Olympic Games where she served as Chef de Mission for the Canadian Team. In addition, Diane has donated an assortment of memorabilia from the 1994 Lillehammer, 1996 Atlanta and 1998 Nagano Olympic Games. All of these materials that support our Summer Olympic theme have been added to the exhibit and will remain on public display through September 4 in Gallery I.

Bowling Strikes and Spares is currently on exhibit in Gallery II. This is one of our “mini exhibits” developed to showcase a specific component of the permanent collection. This exhibit will remain on public display through September 21.

Summer programming is well under way with our *Calling All Olympians* activities. Jenna and Danielle have developed a companion program to our Olympic exhibit that features outdoor activities in Victoria Park followed by learning and craft activities in the SSHF. We are happy to say that the program is fully booked with 100's of mini (future) Olympians! Once again we have partnered with Regina Downtown for their *Cinema Under the Stars* movie in Victoria Park. This is our opportunity to offer an evening visitation opportunity (Wednesdays from 7:30-9:30 p.m.) and raise awareness through our canteen sales in advance of the movie. Movies and late night openings continue through August 15.
