SPORT HISTORY PROJECT (SHP) GRANT 2020-2021

The Sport History Project (SHP) Grant is the envy of the sport heritage community in North America.

Unique to Saskatchewan, this grant allows organizations to capture and record, through a variety of means, the sport history of our province. Since its inception in the late 1980's the SHP has funded more than 40 publications, eBooks (both dedicated and produced in support of the print publications), and productions/exhibits. In addition, it has funded a number of archival management projects including the University of Saskatchewan Huskie Athletics archival collection and Special Olympics Saskatchewan archival holdings.

A list of the publications produced through the SHP can be found at the end of this report. The vast majority of these titles can be found in your local library.

One of the SHP publications, *The Spirit of '89: Memories from the 1989 Jeux Canada Summer Games* written by Ned Powers, was recognized in 2015 by the International Sports Heritage Association's ISHY Awards for Best Book, Printed Hard-Cover or Soft-Bound by an Institution with a Budget US \$250,000 or More.

The SHP grant supports the diversity and inclusivity that is Saskatchewan. In 2020/21 the SHP Committee, comprised of Don Gallo, Shirley Shockey, Don Steponchev and Sheila Kelly, was able to recommend to the SSHF board grant funding allocations to support the continuation of a project initiated in 2018/19, as well as to support a Phase I submission from a new applicant.

The North American Indigenous Games (NAIG) Team Saskatchewan project received Phase III funding in order to establish a digital online exhibit and create the necessary components to populate this exhibit. Content sourced through the previous Phases I and II will be utilized to recognize the iconic history of Team Sask and tell the story of our teams, athletes, and Nations in a meaningful way. The exhibit will highlight the rich history of Team Sask and its crucial role to the NAIG; and the value of NAIG to athletes, families, communities, and Nations through the following themes:

- Celebrating the Team Saskatchewan and NAIG history
- Sharing the Team Saskatchewan successes
- Giving voice to the parallel social and health benefits to Indigenous communities and individuals involved in Team Saskatchewan and NAIG
- Highlighting the role of Team Saskatchewan and NAIG for holistically developing athletes, youth, and leaders
- Demonstrating the way NAIG activities help build healthy communities and contribute to culture and tradition

The Saskatchewan Games Council (SGC) received Phase I funding in order to research and record the 50 year history of the Saskatchewan Games, the province's biennial celebration of sport and community. The ultimate outcome for this Phase I research is to execute three complimentary projects that will be made public in at the 2022 Saskatchewan Winter Games. These projects include:

- A documentary-style video short that will be screened at the Opening and Closing Ceremonies

- An interactive pop-up exhibit on display to public and participants at the Games
- An interactive web-based timeline of the history of the Saskatchewan Games.

It is anticipated that each of these projects will be edited for digital use and promoted via web and social media, allowing them to reach a wider audience and serve as lasting tools that will promote the accomplishments of Games stakeholders and the impacts of the Games themselves.

GOVERNANCE COMMITTEE REPORT 2020-2021

Date of report: 11 May 2021	Date of AGM: 27 May 2021	Item: <i>INFORMATION / DISCUSSION / DECISION</i>
Report respectfully submitted by: Lori Ebbesen (chair), Samer Awadh, Trent Blezy, Laurel Garven, Rankin Jaworski & ad hoc Governance Committee members, Sheila Kelly and Robb Elchuk		
Accompanying reference document: SSHF Bylaws DRAFT (11 May 2021)		

Report overview

This report to the members of the Saskatchewan Sports Hall of Fame and Museum, Inc. provides an update on Governance Committee activities over the past year, summarizes the bylaw review process and revisions being presented for consideration of the members, and presents Board nominations.

Part 1: Governance Committee update

Since the last AGM, the Governance Committee has met four times, had multiple electronic exchanges between meetings, and focused its attention on the following:

- [1] revising and updating the SSHF Bylaws;
- [2] creating Officer Profiles, a Terms of Reference (TOR) template for all Hall committees and a TOR for the Governance Committee and a new Planned Giving Committee; and
- [3] addressing Board recruitment & succession planning.

Special thanks to the Governance Committee for their diligence, enthusiasm and leadership in refining and updating governance practices of the Hall.

Part 2: Revisions to the Hall bylaws

The existing bylaws for the Hall are from May 2010, outdated and do not reflect the ambitions of the Hall Board to transition to a policy board. The process of updating and revising the bylaws has been a **systematic process** over two plus years and included the following steps:

- Cross-referencing the Articles of Incorporation of the Hall and *The Non-profit Corporations Act, 1995* (Saskatchewan) (the "Act")
- Seeking regular input from current and previous Board members
- Reviewing and analyzing bylaws and membership particulars of other sport organizations and Halls of Fame
- Completing a legal review to ensure completeness and compliance with the Act
- Securing Board approval of these draft bylaws being presented to the members
-

Notable changes to the bylaws from the earlier 2010 version include:

- The one class of membership permissible within the Articles of Incorporation now distinguishes voting members of the Hall as those individuals and organizations having a vested interest in the development and directions of the Hall

- Board functions reflect those suited to a policy board; for instance, the Board's role in staffing is refined to being responsible only for hiring, supervising and terminating, if needed, the Executive Director
- The number of Directors on the Board has been revised from 14 to a minimum of nine (9) and a maximum of 14 in accordance with the Act
- Addressing vacancies on the Board and process steps for the removal of a Director have been aligned with the Act
- Timelines for meeting notice and distribution of meeting materials align with the Act and are now consistent across various meetings
- The number of Officers has been reduced from four to three (with the 'Secretary' being eliminated) and two titles have been updated to Chair and Vice-Chair (as opposed to President, Vice-President; Treasurer remains the same); the previous 'Secretary' functions have been integrated into the Vice-Chair responsibilities
- The previous Executive Committee comprised of Officers has been eliminated
- Board delegation of responsibilities to committees or advisors has been detailed and is consistent with the Act

Resolution being brought forward to the members

WHEREAS, the Board of Directors amended and approved the bylaws of the Hall on May 10, 2021;

AND WHEREAS, the Board has presented the amended bylaws to the members of the Hall for the members' consideration;

AND WHEREAS, the members' desire to consider and, if deemed appropriate, confirm the amendments to the bylaws presented to them by the Board;

NOW THEREFORE, BET IT RESOLVED, that the bylaws as amended by the Board in the form presented to the members are hereby confirmed.

Part 3: Board nominations

The SSHF's strategic priority specific to organizational development is designed "to create an effective and qualified board that is conscious of its own role and responsibilities; that is motivated by the mission of the organization; and that is willing and able to actively participate in board leadership." Consistent with this aim, the Governance Committee and Board have identified an array of skill sets collectively required for the Board. A planned wide call for nominations post-AGM will reflect skill sets needed.

The Board situation with the year ending March 31, 2021 is as follows:

- Kevin Dureau has completed two years of his second three-year term and has chosen to step down for personal reasons
- Lori Ebbesen has completed her first term and will not stand for re-election

- Kelvin Ostapowich has completed his first term and will stand for re-election

At present the following seven (7) individuals remain serving on the board (*in alphabetical order*):

- Samer Awadh
- Michael Babcock
- Trent Blezy
- Robb Elchuk
- Laurel Garven
- Tennille Grimeau
- Rankin Jaworski

Tim Leier

Tim brings to the SSHF Board professional expertise as a certified financial planner.

Tim, inducted to the SSHF as a member of the 1983 Canadian Intercollegiate Athletic Union (CIAU) National champions University of Saskatchewan (USask) Huskies hockey team, fills a current athlete inductee vacancy on the board. Since the team's induction in 2000, Tim has held a deep interest in the Hall of Fame and its activities over the past 20 years. His personal and professional schedules have converged to a point where he has more time to dedicate to a SSHF volunteer commitment. Tim's previous volunteer experience includes the Canadian Pension Benefits, Sask Sport, and the USask Huskies Athletics Endowment Committee.

Tim played 76 games with the Huskies from 1980-85 and played in three straight CIAU national championship games. He also spent four seasons (1980-84) playing as a defensive back on the Huskies football team. In 1984 he won the E. Kent Phillips Trophy as the University of Saskatchewan's Male Athlete of the Year.
