The Saskatchewan Sports Hall of Fame has announced the five inductees who will become the newest members enshrined as the Class of 2022

Born in Rosthern, **Toni Beerling** has been involved in officiating athletics competitions for more than 45 years. Toni began her career locally in Saskatoon and moved on to larger provincial, national and international competitions. She is a Level 5 international athletics official, the highest level attainable by an official and is considered one of the premiere horizontal jumps (long jump and triple jump) officials in Canada. She officiated at the IAAF World Athletics Championships, the Pan American Games, the Commonwealth Games, and the World University Games. Nationally she also officiated at the Canadian Olympic trials plus 17 more Canadian indoor and outdoor national championships and three Jeux du Canada Games. She also officiated at the North American Indigenous Games. Toni also served as Mission Staff for four Saskatchewan Summer and Winter Games.

Growing up in the 1930s with spina bifida, **Bill Brownridge** channeled his love of sport, particularly hockey, into areas where he could excel, as an author and a painter. For more than 70 years Bill has captured the spirit of hockey in those two mediums. He has written five children's picture books about hockey that celebrate diversity and community values. He is also an internationally recognized artist who has had more than 15 individual shows exhibiting his art. His paintings were a catalyst for the creation of Hockey Day in Canada. Beyond paint and canvas, Bill designed the logo of the Calgary Centennials junior hockey team. He also designed the Calgary Flames uniforms that they wore from 1994 to 2000. In 1981, he was chosen as the official artist of the 1988 Calgary Olympic bid. Bill has also supported many fundraising initiatives within the sport world through his art. He was born in Rosetown and grew up in Vawn.

SSHF 53rd Induction Ceremony & Dinner, September 24, 2022 at the Conexus Arts Centre. Reception at 5:30 p.m., program begins at 6:30 p.m. Tickets are \$100 and include a chartable receipt. Tickets can be purchased via telephone (306-780-9232), email (sshfm@sasktel.net) or [online](#).

Kelsie Hendry got her start in gymnastics and won a silver medal on the balance beam at the Jeux du Canada Games but she would soar to even greater heights as a pole vaulter. Women's pole vault became an Olympic sport in 2000. In 2008, Kelsie set the national outdoor pole vault record and at the same time qualified for the 2008 Beijing Olympics. She had a great career at the University of Saskatchewan (U of S) that saw her named the Canadian Interuniversity Sport Track and Field Athlete of the Year and the U of S Female Athlete of the Year three times each. She won the Canada West pole vault title in each of her five years. Kelsie won a gold medal at the 2005 Jeux de la Francophonie. Kelsie won two Canadian pole vault titles in 2007 and 2008. She attended two Commonwealth Games, winning a bronze medal in 2010. Two years later she also broke the indoor national record.

Harry Jerome was born in Prince Albert and burst onto the world athletics scene faster than his blazing speed. At 19, he ran a world-record time of 10.0 seconds in the 100 metres at the Olympic trials in Saskatoon. He would also set the 100-yard world record of 9.3 seconds a year later and would lower that record twice to 9.1 seconds. Harry attended three Olympic Games. In 1960, he won his first two heats but tore his hamstring in the semifinal. Two years later he suffered a serious quadriceps tear that nearly ended his career, but he came back to win a bronze in the 100m in Tokyo in 1964 and finished fourth in the 200m. He also competed in the 1968 Mexico City Games, finishing seventh in the 100m. He set a British Empire Games record in winning the 100m in 9.41 seconds in 1966. He also won gold at the 1967 Pan Am Games. In total, he set seven world records over his career.

Rueben Mayes had an incredible football career that took him from North Battleford to Washington State University (WSU) and finally to New Orleans. Mayes set 15 records at WSU while rushing for 3,519 yards and 23 touchdowns in his career. He is the only Canadian inducted into the College Football Hall of Fame. In 1984 he rushed for 1,632 yards and became the first Canadian to be a finalist for the Heisman Trophy. He seamlessly burst onto the scene in the National Football League where he was named the Offensive Rookie of the Year in 1986 after 1,353 yards and 8 touchdowns. The next season he helped the New Orleans Saints make the playoffs for the first time in team history. Despite missing time due to injury, he was named to the Pro Bowl for the second time in two years. In high school, he led North Battleford Comprehensive to the 1980 provincial football title and won the provincial 100-metre sprint title in a record time.

Induction Host Hotel:

The Atlas Hotel
4177 Albert Street, Regina
